3. **SCADA System:** The redundant server that was ordered is still at the factory being built. No new information at this time.
4. **Main Street Office:** The new office passed final inspection on the 16th. Everything looks great and is in good working order. There were a few issues during the move which we know may have inconvenienced some customers. But everything is worked out and running smoothly for the most part.

3. **Consideration to Authorize More Hours for Office Staff:** Billy explained that since numerous issues have presented themselves with the move into our new office, it would be beneficial to have extra hours available for office staff if more help is needed on certain days. The issues haven't been a major concern, but inconvenient, including internet and phone connection issues, printer issues, and an overall need to work out the kinks from the move. Vice Chair Schleif moved, and Chair Haas seconded to allot 8 more hours per week for office staff on an as-needed basis. The vote was 4 ayes, 0 nays, and 0 abstain.
