No other public was present.

1. **Rate Study Presentation by Mary Flemming, R.C.A.C.:** Mary presented several rate structure options that she customized for our district. She explained the process of Prop 218 and answered questions. The Board inquired about additional rate options that could provide a higher level of affordability for customers. Summer said she would work with Mary to possibly have more options by the next board meeting. Discussion only. No action taken.
(Chair Fabella left the meeting at 4:43 P.M.)
2. **Budget Hearing and Consideration to Approve the 2024-25 Adopted Budget:** Amy explained that the only adjustment to the Adopted Budget from the Recommended was that the fund balance forward from last year was less than what was projected. Because of this, an additional \$66,287 must be pulled from reserves in order to balance the budget. Director Farrell motioned to approve the 24-25 Adopted Budget, seconded by Director Yanich, with 4 ayes, 0 nays.
